TABLE TENNIS AMERICA

LEAGUE DIGITAL MATCH SCORING GUIDE - TEST RUN -

1. **Sign Up**: Scan the QR code to create an account. An administrator will review and approve your account.
2. **Log In**: Log in and select the event you are participating in.
3. **Enter Scores**: You should be able to enter match scores for your group. For a 3–0 result, simply double-click the winner's name for quick entry.
4. **Record No-Shows/Defaults**: Use the No Show dropdown menu to select the player who did not play.
5. **View Results**: Once all match results have been entered, the estimated final ratings and group winner will be available immediately.
